25X1

25X1

On 3 March 1954, [] passed along Parchim airfield and observed 25 MiG-15 or U-MiG-15s and some conventional aircraft at the field. No air activity was being conducted.

25X1

[] Comment. Since the end of December 1953, or beginning of January 1954, Parchim airfield has been occupied by a fighter regiment. This regiment is believed to be the former Soviet training regiment for VPL units (Aeroclub) which had been stationed in Parchim prior to late July 1952. The number of MiG-15s observed at the field approximately agrees with the assumed aircraft strength of the regiment.
